Matthew loves school! He bounces into school every morning with a smile and a positive attitude. Matthew is an enthusiastic learner who is working successfully in all curriculum areas. He is always keen to share his ideas and knowledge with others in group or class situations. Matthew knows many ways of being a great bucket filler and is successfully filling his own bucket! Matthew is a valued member of Room 4! Ka mau te wehi!

The STAR in **Koru** is **Sophie**
Although it is only the beginning of the year, Sophie has settled in quick and has approached the new year, in a new syndicate, with a “Business as usual” attitude. Sophie prepares herself for the day’s learning on arrival at school and also shows Manaakitanga towards others who need assistance as well. She follows instructions, gets straight into the task that has been set by the teacher, and takes the time to produce quality work. She is a Koru superstar and leader.

The STAR in **Poutama** is **Felicity**
Felicity is enthusiastic and passionate about her learning. She has an amazing sense of humour and listening to her laugh during shared reading is infectious. She works well with others and is willing to share her thoughts and ideas with the whole class. Even though we have only been back at school a week she is quickly learning the new routines with her wonderful smile on her face. Keep on working hard and focussing on your learning and you will fly high. Ka Mau Te Wehi.

The STAR in **Rangi** is **Savanah**
There is a star emerging in the Rangi syndicate and her name is Savanah! Savanah has really stepped up and become a role model to Central School students. She is helpful and organised– no job is too big or too small! Savanah has taken over the reins as our new Kapa Haka leader without any hesitation, leading our school with confidence and pride, proving she was the perfect person for the job. We can’t wait to see what else you have to give this year! Kia kaha tonu, Savanah– continue to shine.
