The STAR in **Koru** is **Gemma**

Gemma is a quiet, focussed, hard working student who never boasts about her achievements. She is definitely a Koru superstar who never wants to be in the limelight, but deserves every accolade this time. A true practitioner of Manaakitanga, not only to her friends and teachers in Koru, but also to her class and school environments. Gemma is very reliable and can complete individual tasks without supervision. She takes her allocated jobs seriously, and fulfils her responsibilities. Gemma is an awesome role model for others. Tino pai Gemma!

The STAR in **Poutama** is **Jessica**

Kind, caring, friendly, and helpful. These are just some of the words I could use if I were describing Jess. Jess is always the first to offer to help around the classroom, even if it means she might miss out on a game. She often shows initiative by doing things that need to be done without needing to be asked. Jess is keen to assist her peers with their learning and has become a great role model for others to follow. We are so lucky to have you in our classroom and know that when you leave us to go to Rangi at the end of next term your confidence will continue to grow and you will shine brightly. Ka mau te wehi!

The STAR in **Rangi** is **Tilly**

Tilly brightens up everyone's day through her absolute enthusiasm for everything she does. That cheeky smile is contagious. Always volunteering to help others and always giving 100% in her own learning, she is a role model to all. Tilly likes a challenge and the opportunity to think outside the box. She is also willing to try new things and shows perseverance to achieve her goals. Tilly loves to organise—people, belongings, games, sports gear - she'll get you sorted. It has been a pleasure to have you in our class and I know you will be a success in whatever path you choose in the future. You are a STAR!!
