

# Principal's Star Award

Term 4 Weeks 1 & 2

## The STAR in **Kakano** is **Lucy**

Lucy is a super star! She can always be relied upon to lead by example and make good choices in the playground and in the classroom. Lucy always does her best and demonstrates commitment to achieve her next learning steps. She has the courage and confidence to tackle new challenges with a big smile on her face. Lucy continually demonstrates the Central C's – Care, Courage and Commitment. Your teacher next year is very lucky to have you. You are going to be a super role model in Kakano Syndicate in 2018!

## The STAR in **Koru** is **Amelia**

As soon as she arrived in term 2, Amelia fitted into Room 5 as if she had been here all year. Since then she has grown to be a leader in both Room 5 and Koru Syndicate. Amelia always strives to be 'Better than Before' and is an excellent role model who is reliable, and can maintain focus when working in a group or by herself. She is very helpful and doesn't mind lending a hand to her fellow classmates (and teacher) when asked to. A definite name to watch out for in the future. Watch your back Jacinda! Amelia will be leading the country soon.

## The STAR in **Poutama** is **Morgan**

Awesome, outstanding, spectacular and legendary. These are some of the words you could use to describe Morgan. Helpful, caring, focussed, and friendly are a few more. We could go on for a long time if we were to identify all of the words that describe Morgan, we do not have that much time and this certificate is not big enough. Morgan you are all of these things and more. It is a delight to having you as a student in our classroom. You are always ready to learn and tackle new challenges. It has been an absolute privilege to have you in our classroom. You are more than ready to head off to Rangi on your next challenge next year.

## The STAR in **Rangi** is **Jazelle**

Jazelle is like sunshine – bright, warm and cheery, and able to instantly lift your spirits. Jazelle has an incredibly positive attitude towards everything at school and no job is too big or too small. Jazelle doesn't like to make a scene or make herself stand out, but she can always be relied to be getting stuck in and doing the right thing. Room 17 and the Rangi syndicate are so fortunate to have such a kind, cheerful, hardworking role model in their midst. Teachers, start fighting for her now – you want this girl next year!
