

# Principal's Star Award

Term 4 Weeks 9 & 10

### The STAR in **Kakano** is **Ruby**

Ruby, we have loved having you in Room One this year. You have grown from a shy little caterpillar into a beautiful butterfly. You show manaakitanga to your friends and classmates. You are always kind and make sure other children have a friend to play with in class or in the playground. It is lovely to hear you share your news and ideas with others. You try hard in all your learning and are making super progress. Keep trying hard in your new class next year. We are so lucky to have you as a role model in Kakano. You are fantastic, Ruby!

### The STAR in **Koru** is **Indy**

Indy has put his head down and worked exceptionally hard to progress in his learning. He has improved his reading, writing and maths, and is always trying to be 'Better than Before'. Not only has Indy worked super hard at improving academically, he is also a very reliable helper who can follow instructions to complete the task he is given. Indy is very helpful to all his classmates and teachers and never complains when asked to do something. Keep an eye out for this guy who could one day be a sports superstar. Keep up the good work Indy.

### The STAR in **Poutama** is **William**

The teacher who gets William in their class in 2018 is a very lucky person. He has grown into kind, respectful and caring member of Central School, we can say he is a pillar of success. His attitude towards his learning is something he can be proud of. He is independent and can work well as part of a team; nothing is too much of a challenge. When he meets a challenge or a problem he explores other alternatives before seeking help. He never gives in! It's hard to believe William is a Year 3 as he already possesses many of the attributes we like our leaving Year 4's to have. William, you are going to be a fantastic role model next year.

### The STAR in **Rangi** is **Amandine**

Amandine — 2017 has been a journey for you, with many road blocks, and barriers, however she has come out on top! Amandine is a star student who is always reliable and on task. You have maintained a 100% commitment to your learning and continued to display the 3 C's of care, courage and commitment. Continue to bloom and shine bright just like a 'Pohutukawa flower'. You are a role model for your peers and younger tamariki of our school community. Your smile is contagious, this reflects your positive attitude, kind and generous personality. Kia kaha Amandine. Make Central School proud next year at Intermediate! Is Gisborne intermediate ready for you?!
