The STAR in **Kakano** is **Archie**

Archie, you have made the transition from being a 4 year old to a 5 year school boy very easily. You are always showing the school values in everything you do. It is so great to have a person who is familiar with the school and offers to help. Your brothers have taught you well. You arrive at school with the tools you need for learning and after a "good morning" take yourself out to the playground to play. You are onto it with your learning, making connections with what you already know and are trying to "be better than before".

The STAR in **Koru** is **Finn**

Finn, you have made a sensational start to your year in the Koru Syndicate. You show Te Manawanui in truckloads with everything that you do in your learning and behaviour. You are willing to have a go at new learning and learn from your mistakes - as all good learners do! You show Manaakitanga towards other children and your teacher, as well as towards your learning. We think that's great! It is super to see you rise to the challenge of being a role model in Koru already and to lead the way by making sensible choices each and every day. Keep it up!

The STAR in **Poutama** is **Tom**

Tom is the type of person everyone would love to have in their classroom. He always shows Te Manaakitanga, Te Manawanui and Te Toa both in the classroom and outside in the playground. Tom always strives to achieve his WALTs and WALFs and puts 100% effort into everything he does and is often seen to be helping others around him. Tom is a brilliant role model, displays Fair Play skills and is a great team player. Tom you are a super star and Room 12 are lucky to have you. Keep up the great work!!!

The STAR in Rangi is Lukas

People say that good things come in small packages, and in Lukas's case - this is most definitely true! Lukas is a valued member of our school for several reasons: he is kind and caring towards his peers; he fully commits to every learning task; and he always shows courage. One of the best things about Lukas is his fantastic sense of humour and ability to laugh at himself, and to top it all off he does everything with a smile. Lukas is an asset to Room 17 and Central School.
