

Principal's Star Award

Term 3 Weeks 3 & 4

The STAR in **Kakano** is **Jahzelle**

Where to start with Jahzelle's pure awesomeness? She is the definition of both Manaakitanga and Te Toa. Jahzelle possesses an amazing attitude to everything she does. She is helpful, often offering to tidy our classroom. She is friendly and caring and goes beyond what is expected of anyone. Jahzelle helps all her class members to do their best, whenever she can. Jahzelle's 'mat-manners' are exemplary, for all to follow. When working independently, she leads by example, and listens well to all instructions. Her awesomeness spills over into her desire to learn and the great gains she has made in most subjects. I wish her all the best for the future, where she will be a success, in whatever she does.

The STAR in **Koru** is **Elsie**

If you're looking for the perfect student, look no further. Elsie is the type of student that every teacher wants in their class, and we are lucky to have her in Mighty Minion Room 5, and Koru Syndicate. She displays Te Toa (Courage) by challenging herself with her learning and also during physical education. She shows Te Manawanui (Commitment) by staying on task and staying focussed, and she also tries her hardest to present quality work. Manaakitanga (Caring) is Elsie through and through. She will help her classmates without question, helps adults whenever she can and shows care towards our class and school environment as well. Elsie is a fine example of a Central School citizen. Ka Mau Te Wehi Elsie!!!

The STAR in **Poutama** is **Rhiannon**

Rhiannon has been a star in Room 9 from day one. She is a kind and caring student, a great reading buddy and a joy to her teacher. Rhiannon is a student who strives to learn and gives her best to every task she undertakes. She loves art and is very creative in all our tasks. She shows Te Manaawanui and her work will stand out as tidy, colourful and eye catching. Although she has a quiet manner she is the person you want in your group because she has very innovative, out of the box ideas. Rhiannon set goals for herself to be better than before in all aspects of school life. What a star!! Ka mau te wehi.

The STAR in **Rangi** is **CeJ'n**

CeJ'n has only been at Central for a few months but boy has he made an impression. He has a quiet confidence about him that enables him to lead, not only his peers, but younger members of the school community.

CeJ'n has without a doubt shown many times great strengths in all Central C areas. All teachers strive for mature, reliable and enthusiastic learners and I'm happy to say CeJ'n consistently ticks these boxes.
